WALK RAISED \$700 FOR ALTONA HOSPITAL

The Walkathon conducted by the Altona Combined Service Clubs' Hospital Appeal Committee before Christmas raised almost \$700 towards the cost of the new extensions to Altona District Hospital.

A Committee spokesman told the Star that a small amount of donations was still outstanding—but the final result, although not expected to be as good as last year's, would be very satisfactory.

Most participants in the five-mile walkathon were students from Altona Primary School, Brooklyn West Primary School, and Altona North Technical School, who together raised \$246.

HIGHEST AMOUNTS

Highest individual amounts were raised by Deborah Layton, of Altona North (\$117), and Christopher Caterer also of Altona North (\$80).

The Appeals Committee extends its thanks to all who participated in or assisted the walkathon, and in particular the Altona Municipal Band, which led the walkers from the hospital.

Work on the extensions is well on schedule, with the external walls and roof of the midwifery suite completed.

The area is expected to be ready for occupation early in April.

RSL chief's stereo stolen

The manager of the Altona Returned Servicemen's League Club, Mr. Bill Draper, has reported the theft of a stereogram from his home in Bracken Grove.

Man charged with drunken driving

A Laverton man who lost control of the car he was driving and mounted a footpath in Maidstone Street last Friday night, has been charged by Altona Police on counts of exceeding .05 blood alcohol content and careless driving.

The man, who was driving south along Maidstone Street, was intercepted by Altona Police. Following an interview with the police, he was charged.

Mr. Draper told Altona Police last week that the stereogram was taken from his home between 9.15 a.m. and 11 a.m. last Wednesday, when the house was unattended.

The stereogram, a Pye black box with detachable speakers, was missing when Mr. Draper returned to his home.

Mr. Draper is insured for the theft.

Constable A. Kennedy of Altona Police is investigating.

GIRL LOST

A little girl from Altona North played in the sand on Altona beach for more than two-and-a-half hours last Saturday afternoon while police and dozens of volunteers looked for her.

Later, a relieved mother was reunited with the girl not more than 100 yards from where the child had originally wandered off.

Police had patrolled on foot, by car and used loud hailer to try to find the girl.

SURF'S UP!

● The surf's up, down at Altona Beach. One-day last week, our photographer, George Karods, counted more than a dozen riders at the beach.

This shot by George is of Bret Marlow, complete with special surfers' wet jacket, cracking a wave close into shore.

STAR GAZE

In case you did not notice, Altona did have a finalist in the Miss Victorian Beach Girl Contest.

She is Rhonda Nicholls, who was Miss Ocean Grove in the finals held at Elwood last Saturday.

★ ★

Quite a few new cars appearing on the local scene.

John Shannon is the proud owner of a white Valiant and Aldo Madrusan hopes to be the new owner of a white Falcon this week.

★ ★

Police in Altona are back to full strength at last — but, alas, another transfer has been put in.

Hope we can soon manage a permanent full-strength station.

★ ★

Entertainment has definitely been on the improve lately.

Johnny O' Keefe and the Mixtures appeared at the Tarmac Hotel last week and Paint Your Wagon is on at the Brooklyn Village Drive-In this week.

★ ★

Another new car worth a mention is Dawn Photographic's new Honda.

What a beauty it is.

District scouts' tour of Tasmania

A 10-day tour of Tasmania by Scouts from the Hoadley Scouting Area has just been completed and voted a great success by those who attended.

A total of 80 scout leaders and parents were split into two groups for the tour.

The journey started by plane then by coach through Devonport, Launceston, St. Helens, Hobart and Queenstown. Scouts and leaders were billeted in scout halls at main centres, while parents found their own accommodation.

Both parties visited the Zeehan Mines Museum, Boat Harbor, Lake St. Clair, and Mount Wellington.

Also included were visits to the model Tudor village, Point Arthur, the Shot Tower, Buckland Church, Wild Life Sanctuary, and Devils Gate Dam.

Ample time was left for swimming, sight-seeing outside that on the programme, and shopping.

A barbecue and the traditional campfire were held on the last night.

District Commissioner, Mr. J. Whittle, who was among the tourists, thanked leaders and parents for their part in making the trip a success.

He thanked and congratulated the Assistant District Commissioner, Mr. J. Camerton, and Footscray scoutmaster, Mr. S. Smith, for arranging the tour.

It had given scouting in the district a good start for 1972, he said.

NIGHT SCHOOL

Evening classes in shorthand and typing will begin next month at Footscray Institute of Technology.

Guests from three States at wedding

● Pictured from left are: The bride's parents, Mr. and Mrs. M. Madrusan; best man, Mr. Bill Kakeefa; the bride and groom; bridesmaid, Miss Lyn Reeves; and the bride's parents, Mr. and Mrs. W. K. James.

Bega wedding for Altona man

Guests from three States attended the wedding of Mr. and Mrs. John Madrusan at St. John's Church of England, Bega, NSW, on Wednesday, December 29.

The bride, formerly Miss Roslyn James, is the only daughter of Mr. and Mrs. W. K. James of Bega.

The groom is the eldest son of Mr. and Mrs. M. Madrusan, of Maidstone Street, Altona.

Best man was Mr. Bill Kakeefa, a friend of the groom.

Bridesmaid was Miss Lyn Reeves, a friend of the bride.

After the ceremony, a reception was held at the Commercial Hotel, Bega.

Interstate visitors amongst the 80 guests at the wedding included the groom's parents from Altona and friends and relatives from Melbourne and Brisbane.

The bride's two brothers — Messrs. Harry and Rodney James — came from Sydney for the ceremony.

The newlyweds planned to visit Queensland for a delayed honeymoon so that the groom could fulfil his commitments as a temporary disc jockey at Radio 2BE, Bega.

The groom left Altona for Tatra, NSW (where he is an abalone diver), 18 months ago.

MUIR FOR SANDOWN

Leading Sydney open-wheeler racing driver Bob Muir will be a surprise starter in Sandown's Australian Grand Prix Tasman series meeting on February 20 driving the ex-Niel Allen works Lola T300.

And he will owe his place in the field to the efforts of top Tasman contender and fellow Lola driver, Frank Gardner.

Muir, one of Australia's fastest drivers at the wheel of his 2-litre Mildren Waggott, took over the remains of the Lola 5000 champion Frank Allen crashed in private practice shortly before Christmas.

The Chevrolet-engined Formula 5000 car left the Surfers Paradise track and was virtually "written-off" save for the power plant. Muir has since rebuilt the Lola with a brand new chassis "tub", new suspension and a new body. Ex-patriate Australian and 1971 European Formula 5000 champion Frank Gardner organised all the spare parts for Muir from the English Lola works.

Muir expects to have his first practice try-out in the car on the Warwick Farm short circuit shortly in preparation for the four Australian Tasman rounds which begin at Surfers Paradise on February 6.

Being fresh for the local races, Muir and the Lola will have an excellent chance of success. Twenty-nine years old, and a Sydney sports and prestige car dealer, Muir is noted for his forceful driving.

Meanwhile he will also retain his two litre Mildren car for races in Asia following the Tasman.

Dame Mabel to attend ceremony

● A fine study of Dame Mabel Brookes, who will unveil a plaque commemorating the site of the first official cemetery in Victoria at Williamstown next month.

A plaque commemorating the site of the first official cemetery in Victoria will be unveiled at Williamstown on Sunday, February 27.

Dame Mabel Brookes, patron of the Williams-

PLAQUE FOR FIRST CEMETERY

Planning Society, will perform the ceremony.

The first cemetery was originally at Fort Gellibrand, but was transferred to the Williamstown General Cemetery in 1899 when the land, owned by the Victorian Railways since 1859, was required for a goods yard.

In addition to Dame Mabel, many top historians will attend.

Not the best homecoming

It was not the happiest of homecomings recently for Mr. and Mrs. Harry Pielage of Seagull Ave., Altona, who had been interstate for 12 months.

They returned to Altona to discover that just be-

fore their return thieves had broken into their home and stolen their television, vacuum cleaner, lawn mower, oil painting and articles of clothing.

The house had been left unoccupied for the last four months that Mr. and Mrs. Pielage were away. It is believed that the house was entered between December 1 and December 20.

Reporting the theft last week, Mr. Pielage told Altona Police that the stolen property was insured.

Val's Column

Hello Girls,

So many of us now have swimming pools of some size in our back yard. Are you looking after it correctly? Do you keep it clean?

It is known that harmful germs can be present in your swimming pool water, unless a powerful disinfectant such as a chlorine containing product, is regularly added to the pool water. In addition algae can become prevalent in the pool and give the water a green, turbid, unattractive appearance, together with unsightly growths on the walls of your pool.

For those reasons we stock pool cleaning chemicals. In order to ensure that the pool water contains sufficient chlorine it should be checked regularly. We have a test kit available for you. Also we have SPCC (Stable Pool Chlorine Compound) which is formulated to combat both bacteria and algae.

SPCC contains chlorine, your pool disinfectant. By the use of your test kit you can have a sparkling pool always.

You may notice excess alkali or acidity present — again call on us, we have Dry Alkali or Dry Acid to regulate this. Don't have a stagnant pool in your yard.

Revlon have that cool feeling for you girls. Lemons! Lemon cleansers, lemon shampoo, lemon body moisturiser, lemon splash cologne. Be fresh girls, lemons all the way.

Revlon also have me pass on to you three new iced suede lipsticks and matching nail polishes. Frosting lipsticks, mauve, pink and sienna glow, and similar super crystalline nail enamels. So soft, shimmery and mother of pearl shades. The perfect look for you this summer.

Girls! Are you one of those waiting on Revlon's big Special in Aquamarine Shampoos? They have arrived. They're back!

THOMPSON ON TEACHERS

The Minister for Education, Mr. Thompson, said recently that he appreciated the need for further facilities for teacher service training in the western suburbs.

He said this in a letter to the member for Deer Park, Mr. Ginifer.

Mr. Thompson said: "I am pleased to advise you that this year an in-service education centre was located in premises attached to the Sunshine Technical School last year. A weekly evening class in mathematics Education was conducted throughout the year.

"The need to provide further facilities for teachers in the western suburbs is appreciated and plans to establish classes at a number of centres are well advanced.

"Currently, arrangements are being made to offer a variety of courses in the Altona, Williams-town and Sunshine areas, commencing in February."

Little Aths. starts

Competition for the Altona Little Athletics Centre will resume next Saturday at the usual times.

The competition will then be regular until February 12, when the centre championships will be run.

Members of the centre are reminded that a meeting will be held next Saturday morning.

ALTONA DIARY

Ratepayers are reminded that the first ordinary meeting of Altona Council, this year, will be held on Tuesday, February 8 from 8 p.m.

The council has been in recess since the final ordinary meeting for 1971 was held on Tuesday, December 21, last year.

Council's first ordinary meeting, this year will follow the first meeting of the General Purposes Committee, set for Tuesday, February 1 at 7.30 p.m.

Radios go from garage

Thieves who broke into the Ampol garage at the corner of Millers Road and Noordene Avenue, on Tuesday night last week, stole two car radios from a shelf in the office.

Reporting the theft to Altona Police, garage proprietor Mr. Frank Smith said it had taken place between 9.30 p.m. on Tuesday and 7 a.m. on Wednesday.

Mr. Smith said the offenders had forced entry

into the garage and office by removing several louvres from the office window.

The two radios, a manual type, Fairmont car radio (nine transistors) and a Pressmatic nine-transistor car radio, were taken from the office shelf.

Sergeant A. Barnham and Constable G. Godding of Altona Police attended.

Australia Day plans

Councils in the western suburbs will again be invited by the Australia Day Council to participate in the celebration of Australia Day on Wednesday, January 26.

The council says municipal leaders will be asked to hold flag raising ceremonies in their town halls or alternatively a function such as a citizens' dinner or a sporting event where the flag could be honored. Melbourne will be visited by HMAS Vendetta, Vampire, Derwent and Arrow, which will be berthed at Williamstown during the holiday period.

Things have taken a turn for the better at Williamstown beach. The warm weather over the past few days has brought with it the beachgoers and the beachgoers have brought with them the bikinis. Photographer Gabor Kardos captured an excellent example of this now-traditional form of swimwear as demonstrated by Ann Elliott, of Williamstown.

very fast boats.

Big Benzol (454 CI.
Chev.) owned by Fred
Thatcher and driven by
Tony Bartlett is a brand
new 23' hydroplane built
specially for the Griffith
Cup. Top speed to date is
an official 135 mph—the
fastest speed ever record-
ed in Australia by an un-
supercharged engine boat.

Second string to the
WA challenge is Brian
Kirkwood's 20' runabout
The Baron (454 CI.
Chev.) capable of 90-95
mph, even in choppy race
water.

Both of these boats are
now in transit to Lake
Eppalock. If either should
win, then the 1973 Grif-
fith Cup would be con-
ducted in Western Aus-
tralia.

Two reasons why most
Victorians think the
trophy will stay here are
Dave Tenny's Aggressor
and Stan Jones' Bob
Saniga's Stampede.

Australia's two largest
and fastest hydroplanes,
26' and 24', these giant 16-
litre Rolls Merlin-powered
craft, are capable of 150
mph plus!

The 1970 and 71 Grif-
fith Cup winner Stampede
has officially recorded
154.3 mph.

The Griffith Cup will be
decided over 6 laps of 1½
mile circuit comprising
two parallel ¾-mile
straights with a 100-yard
radius turn at each end.
There will be two elimina-
tion heats plus a final
featuring the 14 fastest
boats.

The first heat of the
Griffith Cup is scheduled

to start at 2.15 p.m. and
the final at 3.45 p.m.

A full programme of
races for all classes of in-
board and outboard boats
will support the main
events.

Racing will commence
at 12 noon and the venue
may be reached via
Heathcote on the North-
ern Highway.

The Derrinal Pool of
Lake Eppalock forms a
natural grandstand mak-
ing it an ideal location
for this most spectacular
and prestigious event.

'Rules' man converted to soccer

Australian Rules fan Terry Ward of Yarraville, doesn't like to mention it around his home ground — but he's turned into a soccer and rugby coach in the Solomon Islands.

That wasn't the way he planned it when he joined the Australian Volunteers Abroad scheme two years ago.

But he reckons his plenty training gave him rules of background to cope with "lesser" brands of football, so he has just gone back to keep his teams up to form.

He signed up for a third term with Australian Volunteers Abroad, and flew back to the Solomons on January 13 with more than 50 others who have assignments in

Papua - New Guinea region.

Actually, Terry thought he was going to be a plumber when he left as an A.V.A. in 1970.

But he soon found himself in a succession of other posts with the Anglican Melanesian Diocesan Selwyn College.

He even became an ambulance driver at one stage — and just beat the stork with twins to the hospital foyer.

Eventually, Terry became sports master at Selwyn College and it is to this posting that he has returned as an A.V.A. for this year.

Hunter Cup a big success

By Ron Meuleman

Splendid crowds which exceeded 26,000 over the three night carnival made this year's Hunter Cup carnival one of the most successful ever conducted by the TCB.

Sydney pacers dominated the big event with Dixie Boy and Alfane fighting out the finish with SA star Globe Score in third place.

The unfortunate and serious accident to Dave Wilson cast a pall over the final night as Dave in addition to being one of the top reinsmen is a fine personality ever ready to lend a helping hand.

Liked by one and all, he is a quiet man and his wide circle of friends wish him a speedy recovery.

Over the carnival the trotters once again proved that they are capable of stealing the limelight with excellent contested events. Miracle Note took out his second Dullard Cup in which Adios Bear looked unlucky to lose when he broke close to home.

Miracle Note later recorded a mile rate of 2.8 2-5 in the 14 fur. mobile on the final night and place getters Adios Bear and Atlantic Star both returned a rate of 2.9 2-5.

The latter was wide all the way and lost ground when he broke, so it was a splendid effort. Atlantic Star would be the best staying racer but the small showground circuit doesn't suit him.

At Ararat last week on the bigger track he gave a fantastic exhibition of staying power being four wide then three wide and finally he literally ground down the opposition in a wonderful win.

Arville after his Australian Four-Year-Old championship win re-appeared on Victorian tracks for wins at Warragul and Bendigo and his Melbourne debut is being eagerly awaited.

Monara returned to racing with a fine victory at Bendigo last week and he should be a big contender in the big races ahead both here and interstate.

Whilst Monara was winning in Victoria his full brother Roscott kept the flag flying in WA by a brilliant all the way victory in the New Year Handicap (\$5000) rating 2.4 for the 13 fur. journey.

BEEF SALES INCREASE

An 'Eat More Australian Beef' campaign being conducted in Japan had proved highly successful, a spokesman for the Australian Meat Board said, at the weekend.

The campaign is being conducted in association with the All-Japan Meat Industry Co-operative Association.

Hundreds of families throughout the western suburbs rely on the meat industry for their living.

In your time — — A GUIDE TO LEISURE

By PETER VAUGHAN

For people in the Western suburbs the problem of dining out inexpensively without having to travel to the city and beyond has up till now been insurmountable because such establishments were just not in existence.

However the advent of the MUNICH BARREL (210 Nicholson St. Footscray) has changed all that for now one can enjoy food, drink and entertainment at very reasonable prices.

The MUNICH BARREL is the sister restaurant to the more established SALZBURG LODGE and EDELWEISS and aims to bring to each customer a piece of Germany in the heart of Footscray.

On passing through the huge beer barrel entrance-way one is impressed by the sheer size of the place for there's seating for over 300 with function rooms as well.

It is very like a German beer hall with oaken tables, hunting motifs and attractive waitresses in traditional German costume.

May I add here though that the absence of backs to the stools at each table could prove very tiring.

For such a large place there is of course the danger of impersonal service and neglect but I found the opposite to be true for both the service and the atmosphere made me feel wanted and pampered.

I must here pay tribute to May and Sue

who looked after us so well.

The restaurant is fully licensed and provides local and German wines, beers and spirits at reasonable prices.

To add flavor to the occasion there is a superb Tyrolean band who really "ham" it up to provide first class entertainment.

There is a set menu for different times of the week but basically one can obtain a four-course meal for \$3 or so per head.

Each menu is of course German in orientation with such specialties as Bavarian consomme, Tyrolean roast beef, wiener schnitzel, kassler ripenspeer and apple strudel and although the menu is set, (a la carte only being available for weekday lunches), there is a fair degree of choice. All menus have explanations of the dishes which are most helpful.

The restaurant's motto is, "good cheer, good luck, good friends" and judging by our night there it definitely lives up to it.

The MUNICH BARREL has certainly helped solve the problem of dining out in the Western suburbs.

SUMMARY: Where: MUNICH BARREL, 210 Nicholson St., Footscray.

Cost: depending on day of week \$6-\$9 for two (not wine).

When: Seven days a week, ring 689 2933 for information.

The prints represent a unique record and impression of the style of life which is our heritage. They are presented in a portfolio complete with a printed description of each

scene. Most engravings are reproduced in the size shown above, but overall size of the paper is 18" x 12³/₄" which gives a generous and correct margin for framing.
